Required book for class:

United States Encyclopedia: America's People, Places, and Events
National Geographic Kids. 2015.
ISBN 978-1-4263-2092-7

(Don't let the word "encyclopedia" in the title scare anyone off! This is a full-color, fully illustrated, engaging work written specifically for students.)

Students will also need at least one book or documentary video about a state or related topic, as well as other resources for the projects. Students may get these from the library, if available to you, or use websites, with parental permission.
